SVIMS NEWROOM

September has been an action packed month in SVIMS. As we approach mid semester a lot is happening on the campus. This includes not only back to back classes but also industrial visits, workshops and talks by many eminent speakers etc.

All the students of SVIMS visited Green Tokri, an organic farm set up by Dr. Marc Cremer and his wife Benedikte. The students of IInd year Finance went on an industrial visit to NSE, Mumbai.

SVIMS had a interesting mix of entrepreneurs, innovators and industry experts like Mr Swapnil Chaturvedi, an Ashoka fellow, Mr Gaurav Gurbuxani and Mr Raja Kharadkar as guest speakers.

Workshop was held on "Mind, Body and spirit" by Mr Harsh Dafre. Students also learned to make eco -friendly Ganapati in a workshop by Mr.Mandar Marathe.

GANESHA VISITS SVIMS!!!

September was the month in which SVIMS was graced with presence of most awaited guest of the year, Ganesha. With Bappa's presence the college atmosphere turned to be vividly divine and full of immense joy. When one entered the college premises he/she could clearly see the small but immense idol of Ganesha placed at the table looking at us, and welcoming us at the very beginning of the day.

Since we followed the "Go Eco-Friendly Way", we had our own ShadoMathy Ganesha. The sanctuary time was dedicated to celebrating Ganesh Chaturthi. Artis, Bahajans, dance performances and skits were organised by the enthusiastic students. The Visarjan was indeed another unique way to bid him goodbye. The students and teachers came together to bid adieu to our beloved Bappa, in the college compound itself, we practised the Eco-friendly Visarjan and set Ganesha back to his journey home only with a promise that he will come back next year to spread more joy and happiness in everyone's homes' and lives.

LOL: "What's the height of Hope?" It is sitting in the exam hall holding the question paper in your hand and telling yourself "Dude don't worry, the exam will get postponed"
